

Global Finance Names The World's Best Global Banks 2018

NEW YORK, August 23, 2018 — *Global Finance* magazine has announced its selections for the World's Best Global Banks 2018 Awards, including its honoree for the Best Bank In The World, which is being revealed here for the first time. The 2018 winner is **DBS Bank**.

Also being revealed here for first time are the following global honorees: World's Best Corporate Bank - **MUFG**, World's Best Consumer Bank - **CaixaBank**, Best Emerging Markets Bank - **CIB**, Best Frontier Markets Bank - **Bank Muscat**, and Best Derivatives Bank - **Societe Generale**.

Previously announced honorees include the 2018 global winners for Sub-custodian Bank, Islamic Financial Institution, Investment Bank, Cash Management Bank, Trade Finance Provider, Supply Chain Finance Provider, Foreign Exchange Provider and Private Bank.

The full World's Best Banks report will be featured in *Global Finance's* October issue, with bonus distribution to attendees of the 2018 IMF/World Bank Annual Meetings and *Global Finance's* Best Bank Awards in Bali.

Winners were selected based on performance over the past year and other criteria including reputation and management excellence. *Global Finance* made the selections after extensive consultations with corporate financial executives, analysts and bankers throughout the world.

"The global economy remains in flux, with US-led trade disputes exacerbating uncertainty," said Joseph D. Giarraputo, publisher and editorial director of *Global Finance*. "The world's best banks are forces of continuity even as they adapt to rapidly changing regulatory and market conditions. Our awards identify those that can straddle the line between innovation and stability to deliver top-quality financial service to clients facing rapid transformation themselves."

The World's Best Global Banks, and other *Global Finance* 2018 award winners, will be honored at Awards Ceremonies in Bali, on October 13 during the IMF/World Bank Annual Meetings and in Sydney on October 24 during the SIBOS conference.
