

Global Finance Names The World's Best Derivatives Providers 2020

NEW YORK, February 10, 2020 – *Global Finance* magazine has named its World's Best Derivatives Providers for 2020 as part of its 21st annual Best Investment Banks Awards to be published in the April 2020 issue. Winning organizations will be honored at an awards ceremony on the evening of March 26 at Sea Containers London.

“Global uncertainty – whether around politics or the weather – spurs multinationals’ interest in derivatives to mitigate volatility,” said Joseph D. Giarraputo, publisher and editorial director of *Global Finance*. “The *Global Finance* Best Derivatives Providers awards recognize the financial institutions that provide their corporate clients the most effective hedging advice and products under the rapidly changing conditions of the global economy.”

Global Finance editors, with input from industry experts and bank entry submissions, used a series of criteria—including market share, service and advice, structuring capabilities, distribution network, efforts to address market conditions, innovation, pricing and market reputation—to score and select winners, based on a proprietary algorithm. Contracts enacted in 2019 were considered.
