

Global Finance Names The World's Best Corporate/Institutional Digital Banks In The Middle East 2019

NEW YORK, July 29, 2019 – *Global Finance* has announced the first-round winners in the Middle East for the twentieth annual World's Best Corporate/Institutional Digital Bank Awards. Details on all 2019 First-Round winners will be published in the September issue. Once again this year, country winners were chosen in the Middle East across a broad range of subcategories including Best Online Cash Management, Best in Mobile Banking and Most Innovative Digital Bank

The winning organizations listed on the following pages will be honored at *Global Finance's* 2019 Digital Banks and Innovators Awards Dinner, which immediately follows the Digital Banks and Innovators Conference at the Ritz-Carlton Dubai International Finance Centre on September 10. The overall Regional and Subcategory winners for the Middle East will also be revealed for the first time at the Awards Dinner. A full report on the awards dinner and the conference will be published in the December issue of *Global Finance*.

Winners were chosen among entries evaluated by a world-class panel of judges at Infosys, a global leader in consulting, technology and outsourcing. *Global Finance* editors are responsible for the final selection of all winners.

Only banks that entered the competition were considered for awards, and awards were only given in those regions, countries and categories in which there were entries.

Winning banks were selected based on the following criteria: strength of strategy for attracting and servicing digital customers, success in getting clients to use digital offerings, growth in numbers of digital customers, breadth of product offerings, evidence of tangible benefits gained from digital initiatives, and web/mobile site design and functionality. Category winners, such as "best in mobile banking" were selected based on the relative strength and success of those web products and services.

"Digital banking is not only the future but, increasingly, the present," said Joseph D. Giarraputo, publisher and editorial director of *Global Finance*. "The Digital Bank Awards recognize and celebrate innovation and excellence in this area."

The full list of *Global Finance's* 2019 World's Best Corporate/Institutional Digital Banks first-round winners in the Middle East follows.
