## Global Finance Names The World's 50 Safest Banks 2018

NEW YORK, September 20, 2018 — *Global Finance* has announced its 27th annual ranking of the World's 50 Safest Banks. The full list is included here and will be published in the November issue.

European banks dominate the top ten of the World's Safest Banks again in 2018, taking all ten positions. Germany's KfW is in the top spot for the eighth year in a row, and the top six are unchanged compared to 2017.

Canadian banks came in strong for 2018, with Toronto Dominion Bank and Royal Bank of Canada making big moves to numbers 11 and 12.

Asian banks put in a strong showing in the top 20 once again, led by Singapore's DBS Bank at #14 and followed by OCBC (#15), United Overseas Bank (#17), Korea Development Bank (#18) and Export-Import Bank of Korea (#19).

"*Global Finance's* Safest Banks rankings are a standard we developed to compare the reliability of banks all across the world. We pride ourselves in providing this metric to aid readers in their decision-making processes regarding which bank they use. This year changing trade policies are having an impact on countries everywhere as is continuing political uncertainty. All of our knowledge and experience goes into these rankings which we created to help our readers when doing business worldwide," says *Global Finance* publisher and editorial director Joseph D. Giarraputo.

*Global Finance's* annual ranking of World's 50 Safest Banks has been the recognized and trusted standard of financial counterparty safety for a quarter-century. Winners were selected through an evaluation of long-term foreign currency ratings—from Moody's, Standard & Poor's and Fitch—of the 500 largest banks worldwide.

In addition to the World's 50 Safest Banks, the full report also includes the following: World's 50 Safest Commercial Banks, Safest Banks by Country, 50 Safest Banks in Emerging Markets, Safest Islamic Financial Institutions in the GCC, and Safest Banks by Region (Africa, Asia, Australasia, Central & Eastern Europe, Latin America, the Middle East, North America and Western Europe).

The full results of this exclusive survey will be published in the November issue of *Global Finance*. The safest banks will be presented awards at a special ceremony to be held during the Annual Meetings of the IMF and World Bank in Bali on October 13 at the Inaya Putri Bali.
