

Global Finance Names The Safest Banks In Asia 2019

NEW YORK, September 17, 2019 — *Global Finance* has named the Safest Banks in Asia in an exclusive survey to be published in the November 2019 issue as part of the publication's 28th annual ranking of the World's Safest Banks.

This year's top ten is unchanged compared to 2018.

The full report includes the following rankings: World's 50 Safest Banks, World's 50 Safest Commercial Banks, Safest Banks by Country, 50 Safest Banks in Emerging Markets, Safest Islamic Financial Institutions in the GCC, and Safest Banks by Region (Africa, Asia, Australasia, Central & Eastern Europe, Latin America, the Middle East, North America and Western Europe).

"Asia's export stability is currently being tested by tectonic shifts in trade policy. The banks that earn Safest ratings help their clients maintain stability in the face of rapid change and growing uncertainty. These even-keeled institutions are well-equipped to steer through any turmoil," says *Global Finance* publisher and editorial director Joseph D. Giarraputo.

Banks were selected through an evaluation of long-term foreign currency ratings—from Moody's, Standard & Poor's and Fitch—of the 500 largest banks worldwide.
