METHODOLOGY

Global Finance's editorial board will consider market research, input from expert sources and entry information from banks to select winners from the institutions that reliably provide the best services in depository receipts. Our criteria includes customer relations, quality of service, competitive pricing, smooth handling of exception items, technology platforms, post-settlement operations, business continuity plans and knowledge of local regulations and practices. *Global Finance* will also obtain input from users of depository receipt services. Performance will be judged over the period covering January 1, 2018 through December 31, 2018.
