ABOUT GLOBAL FINANCE AWARDS

Global Finance's awards and recognition programs are backed by a 32-year legacy of editorial accuracy and integrity. Our corporate and financial readers rely on them as the trusted standard of excellence for the financial industry. Our ratings and rankings are credible, reliable and real.

THE IMPORTANCE OF GLOBAL FINANCE AWARDS

The proud distinction of being a *Global Finance* honoree is something every winner can and should use to stand out from and above their competitors.

Some of the ways *Global Finance* award winners have leveraged their status include:

- Advertising
- Airport and stadium signage
- Annual reports
- Conference signage
- Custom videos
- Email Signatures
- Employee motivation programs
- In-branch Signage
- Internal communications
- Investor relations materials
- Press releases
- Promotional materials
- Recruitment efforts
- Social media campaigns
- Websites

Earning a *Global Finance* award also allows individual honorees and entire departments to stand out within their own organizations, leading to higher visibility across their industry sector, improved staff retention and greater professional and personal recognition.

METHODOLOGY

Global Finance's editorial board will consider market research, input from expert sources and entry information from banks to select winners from the institutions that reliably provide the best services in local markets and regions. *Global Finance* will also obtain input from users of sub-custody services. Our criteria includes customer relations, quality of service, competitive pricing, smooth handling of exception items, technology platforms, post-settlement operations, business continuity plans and knowledge of local regulations and practices. Performance will be judged over the period covering January 1, 2018 through December 31, 2018.

ENTRY PREPARATION

Although it is not necessary to enter in order to win, experience shows entries increase the chance of success. In many cases, entrants are able to present information and perspectives that may not be readily available to the editors of *Global Finance*.

Global Finance maintains best journalistic practices to protect the confidentiality of information supplied. Any information provided that is not appropriate for the public domain should be clearly identified in a separate section of the entry.

Those making submissions should provide concise information in the following areas:

1. Key financials including assets under management, earnings and market share - new mandates won (and business retained) - or other comparisons with competitors.
