

## Global Finance Names The World's Best Investment Banks 2020

NEW YORK, February 10, 2020 – *Global Finance* magazine has named the 21st annual World's Best Investment Banks in an exclusive survey to be published in the April 2020 issue. Winning organizations will be honored at an awards ceremony on the evening of March 26 at Sea Containers London.

J.P. Morgan was honored as the Best Investment Bank in the world for 2020.

“Investment banking is a critical factor driving global growth. *Global Finance*’s Best Investment Bank awards identify the financial institutions that deliver innovative and practical solutions for their clients in all kinds of markets,” said Joseph D. Giarraputo, publisher and editorial director of *Global Finance*.

*Global Finance* editors, with input from industry experts, used a series of criteria—including entries from banks, market share, number and size of deals, service and advice, structuring capabilities, distribution network, efforts to address market conditions, innovation, pricing, after-market performance of underwritings and market reputation—to score and select winners, based on a proprietary algorithm. Deals announced or completed in 2019 were considered.
