

Global Finance Names The Stars Of China 2020

NEW YORK, September 15, 2020 — *Global Finance* is proud to present the winners of the 13th annual Stars of China Awards, honoring the best Chinese banks, fintech companies, asset management firms and enterprises serving China and the world.

The Stars of China Awards are the preeminent evaluation of financial institutions and other organizations in China by international media, and they recognize institutions that excel in serving the mainland in harmony with China’s national goals and objectives.

A full list of the winners is presented on the following pages and will be published in the November print and digital editions and online at GFMag.com. The Stars of China Special Report will include *Global Finance*’s exclusive ranking of the Safest Banks in China. It will also include an in-depth look at the success stories behind the winners and their various approaches to excellence in the unique environment of the People’s Republic.

“China, after a year of major upheaval, still plays such an important role in the world economy that no global company can ignore its massive market and production capabilities,” says Joseph Giarraputo, publisher and editorial director of *Global Finance*. “But to succeed in China requires local insight. Our annual awards highlight Chinese companies that have demonstrated excellence in supporting international business.”

The full list of winners follows.
